

A Woman's Savings

Are often more important to her than a man's can be to him. The woman who is suddenly thrown on her own resources or faced with a sudden need of money is placed much worse than a man in similar situation.

The saving account that you start for your daughter may some day stand between her and hardship.

An account in her name may be opened at this bank with as little as one dollar and interest will be paid on all balances.

The occupation of Buk on the railway between Salonica and Kudeil Burgas is the last link of the chain wholly cutting off the Turkish armies which have been fighting the great battles in the East from the scattered forces in that part of the country and to the West.

The Bulgarian troops in the vicinity of Tchorlu are preparing to resume their advance on Tchatatja. After four nights and four days of continuous fighting around Luleburgas the Bulgarian soldiers were given two days' rest. This period expired today and the troops by this time probably are again on the march.

The great Powers of Europe are aligning themselves on either side of a line regarding the future of the Balkan Mountain States. Public opinion in England, France and Russia is that the Allies should have the Territory which they have conquered and Russia, particularly, has warned Turkey that conditions could only stop should further disaster occur at Tchatatja.

On the other side are Austria-Hungary, Germany and Italy. Austria-Hungary, which after all is the most directly interested being the nearest neighbor to the Balkan States, will not let it be believed, quietly stand by and see the Balkan League establish itself across her path to the Aegean Sea, in which direction her trade is expanding, while at the same time the Servians spread to the Adriatic Sea.

The Starlight a smuggling craft of many exciting ventures and said by many persons to be the swiftest launch on the Southern California coast, has been confiscated by order of Judge Wellborn of the United States Court. According to the judge's order the Starlight will be sold by United States Marshal Youngworth.

The Oceanic Steamship Company's liner Sierra, which sailed this afternoon for Honolulu, carried a full cargo and more than one hundred passengers. Among the passengers was P. C. Jones, the sugar planter, who is just back from a visit to Europe.

An Austrian military airman was killed this morning while flying around the army aerodrome at the military station at Gorez. He fell from a considerable height, owing to the collapse of one of the wings of his aeroplane.

The Turkish steamship Chanies has foundered in the Black Sea; it is reported that the crew and forty-two passengers were drowned. The steamer is supposed to have touched a mine.
